

## **Goals of the Mary Mahoney Professional Nurses Organization**

**Goal 1** – **Support the professional development of our members** through encouraging active participation and the assumption of leadership roles in MMPNO and in other professional nursing organizations.

**Goal 2** – **Contribute to educational opportunity and diversity in nursing** by providing scholarships, mentoring and socio-cultural support to African-heritage nursing students.

**Goal 3** – **Provide high quality volunteer services in tutoring, mentoring and sharing our expertise for the development** of nursing students and other individuals as well as organizations in our communities.

**Goal 4** – **Promote high standards of excellence** in the practice of nursing and in our roles as nursing professionals.

**Goal 5** – **Establish and maintain collaborative relationships with other organizations in our community** to enhance program development and health service delivery to residents of our community.
