Dear Patrons:

Due to the Coronavirus Disease (COVID -19) crisis in our community and public health officials' recommendations regarding social distancing to help slow the spread and reduce the impact of this disease, Mary Mahoney Professional Nurses Organization (MMPNO) has cancelled its May 2, 2020 Annual Scholarship Reception.

The COVID - 19 situation remains fluid and will continue to impact our local community, our nation and other parts of the world. We are uncertain how long this will continue. Perhaps, days, weeks, months to come, and even longer.

We value your ongoing support and want to thank you for your understanding and commitment to our organization. We had been looking forward to having you join us in celebration of the achievements of our students at the reception. To view our outstanding 2020 scholarship recipients, please visit our web site. The scholarships would not be possible without generous supporters like you. To help future nursing students of African descent, please contact us directly or visit PayPal on our website. We thank you in advance for your gift.

During these difficult times we encourage you to continue to follow the CDC guidelines. We hope that you, your family and friends can remain in place, as much as possible, and keep healthy and safe.

Our apologies for any inconvenience that cancelling this event may have caused. We will keep you abreast of our plans for the next scheduled scholarship reception and look forward to seeing you there.

Again, we thank you and please do not hesitate to contact us if you have questions or need any assistance.

Sincerely,
